

Novelties Presentation Ge4/4''' with RhB-advertizing

At the International Toy Fair we presented the new advertising models of the Rhaetian Railway, which run on the railway network with the railway company's own advertising. The models are now available and delivered to pre-orderers. Our info will give you a detailed presentation of the new product.

Vorbehaltlich Lieferbarkeit und Preisänderungen durch Kato/Noch

Variants

We offer both models in several versions:

- standard gauge (9mm) or narrow gauge (6,5mm)
 - standard N- or Kato close coupling
 - additional freestanding handlebars on the fronts
 - additional multiple control sockets on the front panel
- If you are interested, please ask for your desired model. The medium grey apron is painted with all models, also at the fronts.

Delivery

The pre-ordered models will be produced and delivered during the month of November.

We realize new orders within the usual production periods.

Handcraft Model

The announced handcrafted model made of nickel silver, with two Faulhaber motors, flywheel masses and 1:160 scale model will follow in spring 2020.
