Prototype:

In 1911 and 1913 Rhaetian railway bought a series of 21 luggage wagons. They got the lettering-scheme D² 4025 - 4045.

Seven of these luggage-wagons were rebuilt in 1990 into open panorama-coaches. The new series got the lettering B² 2096 - 2102.

The open panorama coaches are very popular and in summer they could be seen very often behind the regular trains over the Bernina-pass.

On the Albula-line, these coaches are part of the Railrider and are used on Saturdays and Sundays between Filisur and Preda.
