Katos Novelties in 2021

Dear friends of the Rhaetian Railway, the Kato company has delivered more new models this year. The models have now also arrived in Germany and are now available. We would like to introduce the two vehicles to you again at this point. Both are available in both standard and narrow gauge. We hope you enjoy reading

Prices

As usual in the past, we have taken the recommended retail price of the German general importer with rounded down figures, so that this already results in a small price advantage of up to 4% compared to the RRP.

All pre-orders received by 28.09.2021 will receive a 3% discount on the models.

Delivery

We will contact all pre-orderers by email shortly. The shipment of the models already on hand will take place from 4th of October 2021.

We publish current prices and delivery dates on our website.

In order to be always up to date, we recommend that you subscribe to our newsletter.
